

Technical drawing of a wooden frame structure, likely a roof or a large window frame, showing dimensions and angles.

Dimensions:

- Left vertical height: 259.44
- Right vertical height: 220.32
- Left sloped side length: 112.86
- Right sloped side length: 177.87
- Top horizontal width: 22.03
- Internal vertical height (left): 278
- Internal vertical height (right): 76
- Internal horizontal width (left): 35
- Internal horizontal width (right): 35

Angles:

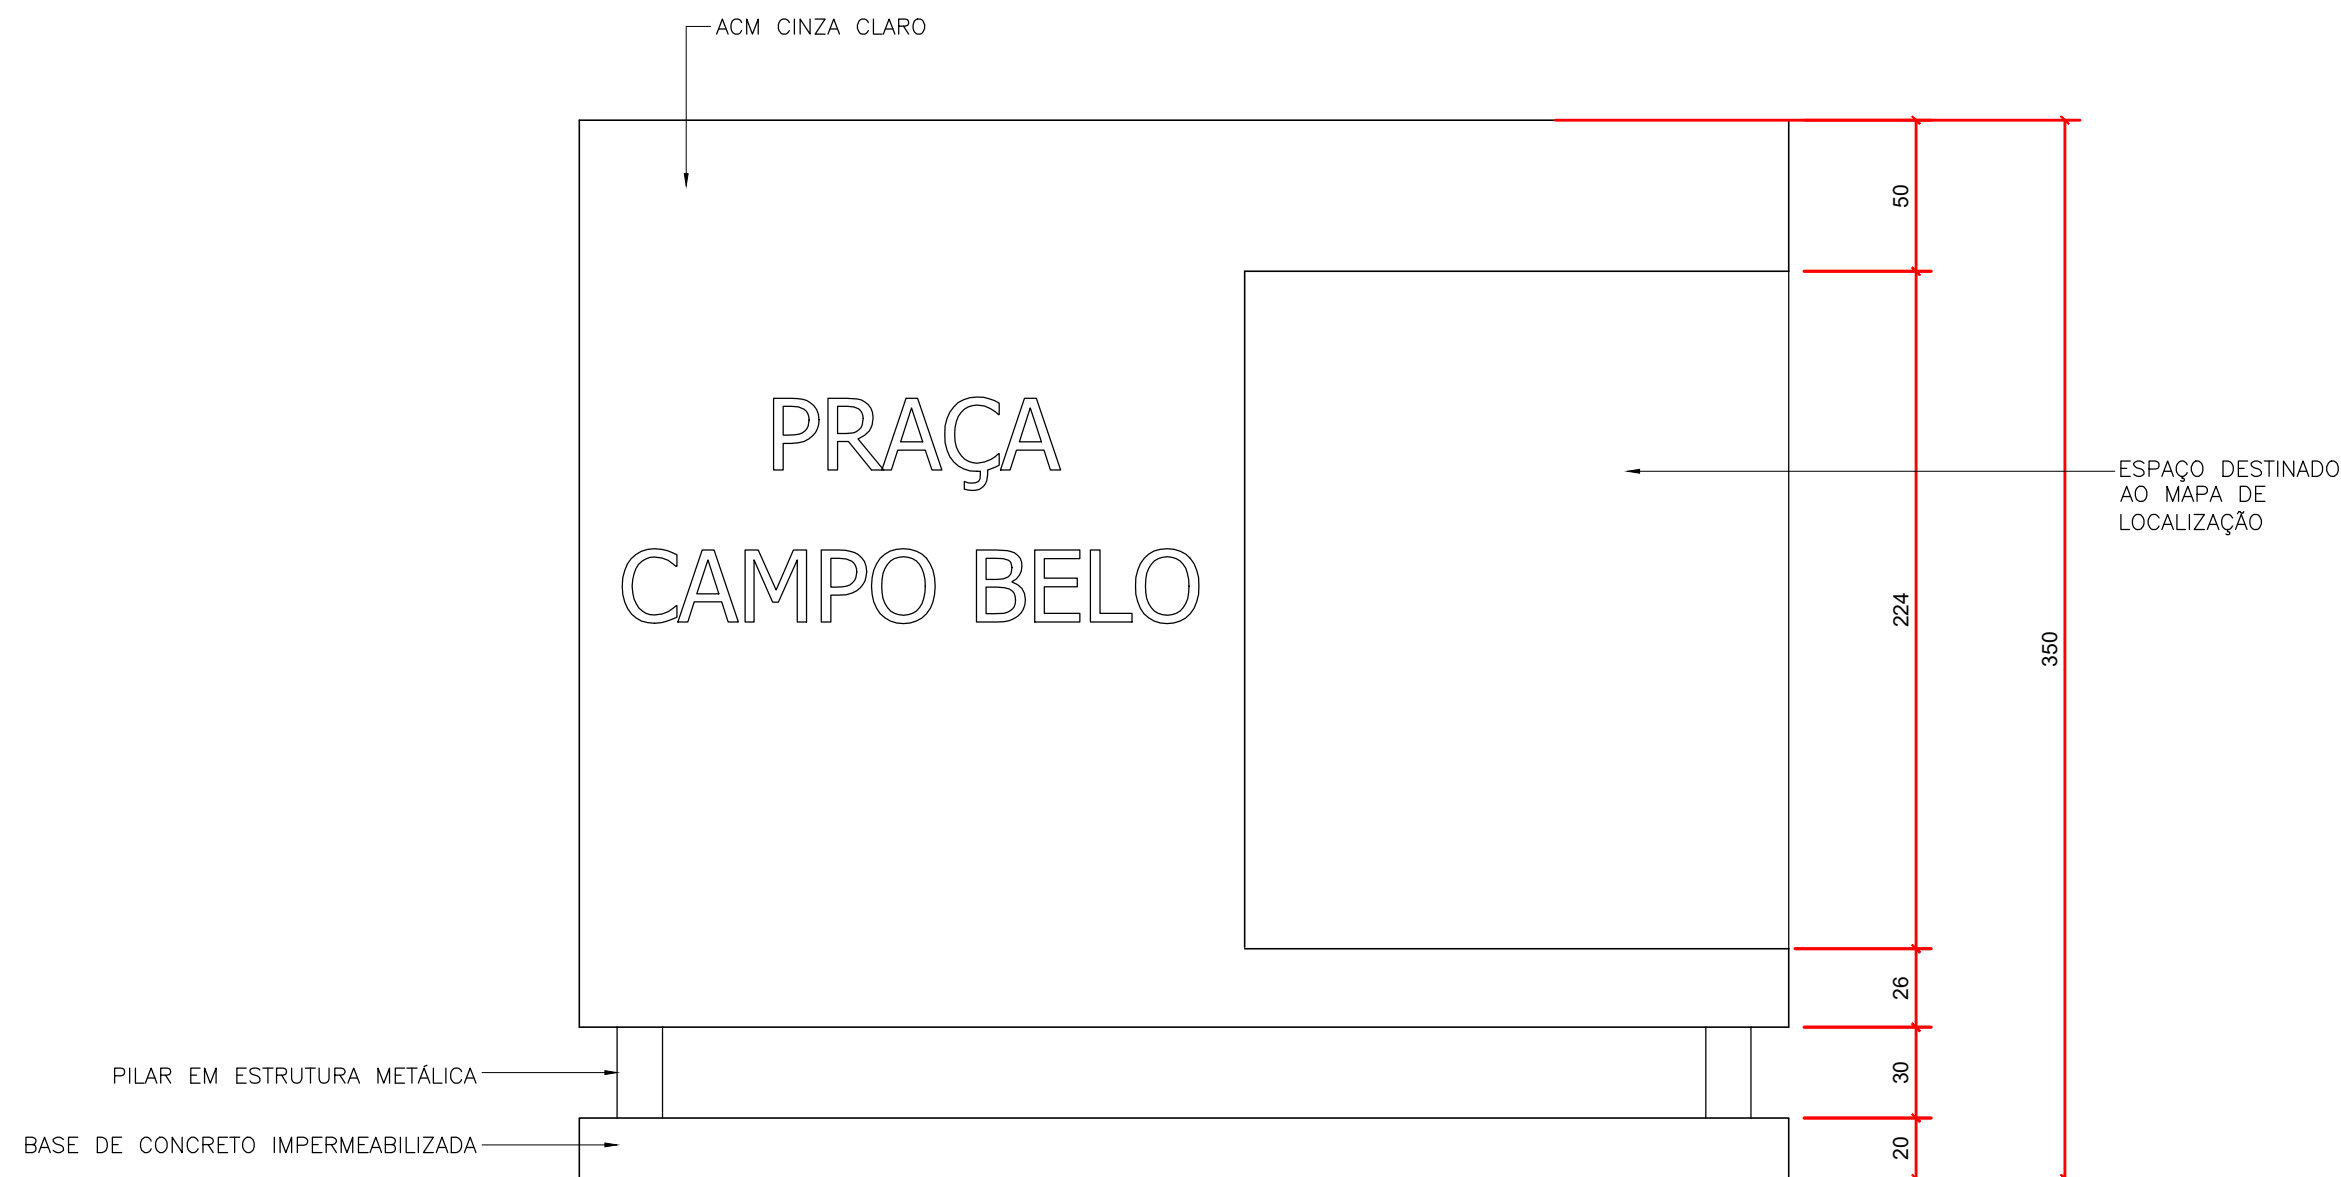

- Left interior angle: 116°
- Right interior angle: 117°
- Top interior angle: 127°

Material: MADEIRA TRATADA (Treated Wood)

[illegible]

Technical drawing of a wall section showing dimensions and reinforcement details. The drawing includes a cross-section of a wall with a total width of 400 units. The wall is divided into two main sections: a 220-unit wide section on the left and an 180-unit wide section on the right. The wall has a total height of 60 units. The left section has a height of 15.7 units, and the right section has a height of 38 units. The wall is reinforced with vertical bars (indicated by diamond symbols) and horizontal bars (indicated by dashed lines). The reinforcement is shown in a cross-section view, with the wall thickness being 15.7 units. The drawing is labeled with dimensions and reinforcement details.

ELEV. 01

Technical drawing of a 10-shelf bookcase. The overall height is 210 and the overall width is 130. The drawing shows the front and side views. The front view shows 10 shelves, each 10 units high, with a 2-unit gap between them. The side view shows the depth of the shelves, which are 40 units deep. The total depth of the bookcase is 68 units. The bottom of the bookcase is 20 units wide. The shelves are labeled 1 through 10 from top to bottom. The dimensions are given in millimeters (mm).

ELEV. 01

Technical drawing of a wooden door frame (cabeçalho) showing dimensions and materials. The drawing includes the following specifications:

- Dimensions:**
 - Top horizontal span: 144.94
 - Left vertical height: 250.44
 - Right vertical height: 292.24
 - Bottom horizontal offset: 40
- Angle:**
 - Angle between the top and left vertical sections: 176°
- Material:**
 - MADEIRA TRATADA (Treated Wood)
